- ✓ Improve your CV
- ✓ Get help to look for jobs/ apprenticeships
- ✓ Have your applications checked
- ✓ Practice interview techniques
- ✓ One-to-one support from a job coach for 6 months

Female Future is a programme that helps young women decide on a career path and take steps towards their goals – i.e. get a job, start an apprenticeship or find a college course. The programme offers the support you need to make a positive change in your life and stick with it.

Female Future is run by Inspire! www.inspire-ebp.org.uk - a charity that connects young people with businesses to help them find opportunities. We have close links with local and City companies and help many young people find work experience.

What?

- Six weeks' job coaching
- Six more mentoring sessions when in work to help you settle in.

Where?

Inspire!, 34-38 Dalston Lane, E8 3AZ

But we can hold mentoring sessions in cafes or libraries near you.

Mentor

Claire Butler

Claire is a manager at Inspire! who mentors young people to help them find jobs or apprenticeships.
