

# SECONDARY JUNE 2021

## VIRTUAL WORK EXPERIENCE:

Our VWEX allows students to develop key employability skills for their future while preparing them for an increasingly virtual world of work.

### Volunteering opportunities include:

1. Taking part in a virtual **careers pathways** live event.
2. Setting a **work-based project** for students to complete.
3. Taking part in a live **progression workshop** discussing the transition from education to the workplace, what to include in a CV and how to succeed in interviews.

*We particularly welcome volunteers from Black, Asian and Minority Ethnic backgrounds, to accurately reflect the communities we work in.*
